11:40:39 From Jack (Volunteer) : Jasmin– Hey it's Jack here! When I first went to Summit, I didn't have many friends. When I went home everyday you would sometimes stay and talk with me at starbucks. Even though the stuff you were talking about seemed pretty normal for you, for an anti-social guy like me, it provided me with someone to talk to. Because you took the time to talk with me, I was able to become more confident and ended up making new friends that I still value to this day!
